

Display Case Advertising in Bright House Networks Reception Area at East Orlando Chamber of Commerce Office

Chamber members are able to have their ad featured in the display case in the Bright House Networks Reception Area at the East Orlando Chamber of Commerce office in Alafaya Village. This popular display case features business cards from our members, as well as community publications, visitor and relocation information. Advertisers have the opportunity to highlight their business to every visitor that walks through our doors – members, potential members and area residents.

Advertisers who are Bronze Members also get the extra perk of having their brochures and other materials on display – a benefit normally reserved for our elevated membership levels. Advertisers must supply their own printed artwork for the space. If you are interested in a custom window cling, we can refer you to a member printer.
