

About the EOCC

East Orlando Chamber of Commerce

As Central Florida's Innovation Gateway, the East Orlando Chamber of Commerce (EOCC) is dedicated to building a positive business and civic climate through providing leadership, resources and benefits to community stakeholders.

The East Orlando Chamber of Commerce has been committed to the growth and development of East Orange County's business community since 1946. Our geographic service area runs east to west from Semoran Boulevard to the town of Christmas and north to south from the Seminole County line to the Osceola County line.

We proudly serve the communities of Avalon Park, Central Florida Research Park, Innovation Way, Lake Nona, the Orlando International Airport, Waterford Lakes, Wedgefield, Union Park, UCF and Vista Lakes. Regardless of where your business is located, if you are interested in expanding business opportunities in East Orlando, please consider joining our organization.
